

## 2012: RAFF PURCHASE NEW SIRE – STONEY POINT FEVER PITCH F93

Earlier this year Raff Angus purchased Stoney Point Fever Pitch F93 at auction for South Australia's highest priced sale bull at \$19,000. His dam, Hoff Blackbird 5218, was the US\$17,500 high selling yearling heifer at the 2006 Hoff Scotch Cap Dispersion Sale that last year went on to be re-sold for US\$25,500 to Rawburn Angus Stud, Scotland UK. She is a flush sister to Hoff Blackbird 5217 who the Raff's purchased at that same sale and is currently the dam of five stud sires in their program - Raff Dazzler D353, Raff Dynamite D345, Raff Enforcer E41, Raff Explosive E108 and Raff Ego E266. Several weeks after his purchase the Raff Family sold 50% possession rights of Fever Pitch F93 to Longford Angus Stud, Armidale NSW.
